Introduction to Sociology introduces students to the sociological investigation of human interaction and behavior in society. Students will become familiar with the sociological perspective and develop a sociological imagination - the ability to see the general in the particular, the new in the familiar, and to observe the impact of social

The Forms of Capital by Pierre Bourdieu 1986

Agenda - 2021 Diversity Summit :: UNM Gallup | The
Nov 04, 2021 · While ACEs studies show that traumatic experiences occur widely in our society, the pandemic caused its own trauma across society more pervasively. This presentation considers how COVID-19 might have impacted us socially – and personally - more than we realized. Certainly, it has impacted our students as well.

Migration Policy Institute | migrationpolicy.org
The world is once again engaging in a mad scramble to close borders after emergence of the COVID-19 Omicron variant. While the response bears the hallmarks of the initial response to COVID-19 and the Delta variant, with an uncoordinated and single-minded focus on travel restrictions alone, international cooperation and long-term planning are critical to a more equitable and sustainable system
